Grande Prairie School Fair To Be Held In Elks' Hall Tuesday, September 27th

The people of Grande Prairie and district are reminded that the Annual School Fair will be held on Tuesday next, September 27, at the Elks' Hall, Grande Prairie.

The public is cordially invited to view the exhibits after judging is completed, about 4 p.m. to 8 p.m. There is no admission charge.

This is a good opportunity to encourage the pupils in their good work by your attendance and interest.

Although the government has withdrawn its customary grant this year, the executive has been fortunate in securing a most able committee of judges, all of whom are giving their services voluntarily.

Mr. P. R. Dixon, who has represented the Department of Agriculture in judging vegetable exhibits, is looking after the same work this year.

Mr. W. J. Thomson, district agriculturalist, whose specialty is in judging the developing junior live stock judging classes is well known, will judge the live stock poultry, and Mr. H. Balfour, inspector of public schools, will judge the school work.

The sewing and cooking classes will be looked after by capable ladies who have been trained in the provincial agricultural schools.

A splendid special feature list has been contributed by merchants and business firms in the district and a large extent is expected to be of interest to the public.

It is hoped that the fair will be a success and business firms are encouraged as much as possible this year.

May Establish Rental Library at Grande Prairie

If the plans of Miss Cave Brown materialize, Grande Prairie will soon have a rental library.

Miss Brown, whose mother lives in the Pigeon Creek district, along the Wapiti south of Wembley, returned home recently after a tour of the United States, where she spent several years, four of these years spent in England and one at Ottawa.

In discussing the rental library with the Tribune reporter, Miss Brown said: "The people of Grande Prairie and district are reading public, and I believe there is an opening for such a library. In the naturally have to start small and build up as time goes on."

Asked how she found her native land—England—Miss Brown replied that conditions were excellent, and she found the people very friendly and intelligent when she left, and according to information received in letters from relatives living at home, conditions were still improving.

Asked if the four main differences in the life of the people in England and that lived by in the Peace River country, Miss Brown replied that it was hard to make a comparison. "England is considerably more established, while this country is in the making," she said, and, though she loves England, she also delights in the freedom of this new land.

While in England Miss Brown satisfied a long-cherished ambition and spent two years on the stage with a stock company at the Theatre Royal, which time she acted character parts.

At Ottawa she was employed in a rental library which was in connection with a department store.

Ottawa was described as a clean, beautiful city.

Miss Brown is very anxious a suitable location for her library.

Another Travel Bargain Offered By Railways

To meet popular demand, it will be interesting to many to hear that the Canadian National, Canadian Pacific, and Northern Alberta Railways, according to J. B. Parker, secretary, Canadian Passenger Association, Western Lines, has decided to offer another travel bargain.

Tickets will be sold from September 10, inclusive, and will be good for thirty days from date of sale.

These fares figure at approximately one cent per mile, and are in addition to the cost of the ticket and the cost of the baggage.

Small extra amount in addition to cost of accommodation furnished.

Store at Rycroft Burglarized On Saturday Night

(Special to The Tribune.) RYCROFT, Sept. 6.—About 2 a.m. on Saturday thieves broke into the store of H. E. Calkins, Mr. Stout, who was on his way to work, discovered the door open and walked into the store and on seeing the thieves at work, he ran out and gave the alarm and returned in a few minutes to find the thieves making their departure.

Some \$500 worth of groceries were found crammed up in the store. The thieves had also taken the only items missed are a few watches.

Constable Carrell of the R.C.M.P. is investigating.

Jonas Webber Puts Kid Thompson To Slumberland

Jonas Webber of La Glace put Kid Thompson to his eternal slumberland in the main frame on Frank Donald's fight card staged Saturday evening.

The sudden ending came after one minute and twenty seconds of hard fighting in the fourth round, when Thompson got on the ropes and was a hard right cross which landed on his jaw.

Round 1—Numerous clinches marked the first round and the odd wallop was exchanged.

Round 2—Thompson landed hard to face Webber, the most telling blows of the stanza.

Round 3—At the opening of the third Thompson found Webber's face with a hard right. Jonas retaliated with a terrific punch to Thompson's face, Thompson went down and was saved by the gong.

Round 4—Thompson landed light to face Webber, who was in close and sent in a smashing right cross to jaw and Thompson went out.

Round 5—Thompson landed light to face Webber, who was in close and sent in a smashing right cross to jaw and Thompson went out.

Round 6—Thompson landed light to face Webber, who was in close and sent in a smashing right cross to jaw and Thompson went out.

Round 7—Thompson landed light to face Webber, who was in close and sent in a smashing right cross to jaw and Thompson went out.

Round 8—Thompson landed light to face Webber, who was in close and sent in a smashing right cross to jaw and Thompson went out.

Round 9—Thompson landed light to face Webber, who was in close and sent in a smashing right cross to jaw and Thompson went out.

Round 10—Thompson landed light to face Webber, who was in close and sent in a smashing right cross to jaw and Thompson went out.

Round 11—Thompson landed light to face Webber, who was in close and sent in a smashing right cross to jaw and Thompson went out.

Round 12—Thompson landed light to face Webber, who was in close and sent in a smashing right cross to jaw and Thompson went out.

Round 13—Thompson landed light to face Webber, who was in close and sent in a smashing right cross to jaw and Thompson went out.

BLOOD-THIRSTY WOLVES KILL OR LAME CATTLE

(Special to The Tribune.) KINBOY, Aug. 28.—Wolf hunting has ended during the Peace River valley, and with the appearance of the creature there is some excitement on high.

Some cattle were killed and others lame. Children are afraid to leave the house, and also are some mothers.

The first of the marauders was a female cub weighing 90 pounds.

Liberals to hold Organization Meeting

A meeting of Liberals of the Grande Prairie district will be held in the district room of the Grande Prairie Hotel on Saturday evening, September 10, commencing at 8 p.m.

The purpose of the meeting is to elect a district association, covering that area bounded on the east by the Peace River, on the north by the Stinky River, on the south by the district boundary of Township 12, and on the west by the east boundary of Range 2. The officers to be elected will probably consist of a president, secretary-treasurer, and representatives from each of the polling subdivisions in the area.

At the same time there will be held a meeting of the district Liberal Association, which is convening the district meeting.

In addition to forming a district association, there is a number of important matters to come before the meeting for discussion, including the formation of a Liberal Women's association, and the formation of other district associations.

It is desired that there should be a large attendance at the meeting of this district, and also as many as possible from all other parts of the constituency.

The party started in the garden, then the tables were transferred to the rectory, and later the whole business moved over to the hall.

While this was going on the tea continued to be served and for cream and sugar were served.

Postmasters of the Peace River To Hold Convention Here Sept. 27th and 28th

A convention of the postmasters of the Peace River country, including the Peace River, will be held at the Grande Prairie on September 27-28.

The following from the outside will be present: C. D. Griffin, Estevan, secretary of the Canadian Postmasters Association; W. Hale, Edmonton, district superintendent, and the following from the Alberta branch: Mr. Morgan, president; George Patterson, vice-president; Bill Jack, secretary-treasurer; and Arthur Potts of the executive.

The advisability of organizing a Peace River branch will be discussed at this meeting.

This question was brought before the convention held at Edmonton some time ago by J. McDonald of Clearmont and the suggestion received was to hold a convention here.

It is understood that the postmasters in the Peace River country are not doing so well as in the other parts of the province, and it is believed that at least fifty of them will be present.

At the present time, the importance to postmasters and postmistresses will be discussed, and the following will be present: C. D. Griffin, Estevan, secretary of the Canadian Postmasters Association; W. Hale, Edmonton, district superintendent, and the following from the Alberta branch: Mr. Morgan, president; George Patterson, vice-president; Bill Jack, secretary-treasurer; and Arthur Potts of the executive.

MERMAIDS IN STRUGGLE FOR WORLD'S CHAMPIONSHIP

A keen battle was won on August 23 when thirty-six well-trained young women plunged into Lake Ontario in front of the Canadian National Exhibition grounds. Toronto, for the ten-mile swimming race for the women's championship of the world, with a prize of \$10,000 to the winner. The layout above shows some of the principal contenders, most of whom are expected to finish inside the prize money. No. 1—Joanne Masterson of Terre Haute, Indiana, who recently broke Hunter Von Leer's record for 21 miles, made in 1921, by no less than 20 minutes; No. 2—Mrs. Evelyn Armstrong of Detroit, who has been training under Mrs. George Young (Margaret Ravary) and who was a real threat to the winner of first place coming in second; No. 3—Leah Riley of Kenosha, N. J., a popular swimmer but rather an inconsistent performer, who won fourth place; No. 4—Dorothy Nalvaine of Glen Grove, N. Y., who swam out Leah Riley for third place; No. 5—Lisa Commanda, a full-blooded Indian girl from French River, Bangsaw Camp, Ont., who made her first pro appearance last year and is much improved this season; No. 6—Ruth Downing of Toronto, who has finished within the money several times but never won first place; No. 7—Lucy Spence, now of Toronto formerly of Montreal and British Guiana. Her brothers are outstanding swimmers in the United States. Lucy trained under the famous maker of champions, Johnny Walker. She won sixth place.

FINEST SWIM ACES
BEATEN BY RED-HEAD

Is the Most Consistent Money Winner
Who Ever Entered in Toronto's
Luna Grind

TORONTO, Aug. 30.—Pretty Ruth Tower Corsan, who settled in Toronto with the avowed intention of winning the world's ten-mile swimming championship, Friday night realized her aim when she swam 32 of the world's best swimmers into submission and won the Canadian National Exhibition's \$10,000 prize. It was the first time a Canadian girl had achieved that honor.

The most consistent money winner ever to enter the swim, which first started here in 1927, Mrs. Corsan added a fitting climax to her already splendid achievement with her victory. As Ruth Tower of Denver, Colorado, she won third money in 1928; second in 1929; second again in 1930; was out in the 1931 swim, came back last year to take fifth place, and finished with victory Friday night.

There was never any doubt about it. For nearly ten miles Evelyn Armstrong of Detroit, challenged Mrs. Corsan, but from start to finish Ruth was best. As mile after mile sped beneath her tireless arms she never looked up, never stopped, never spoke. Her feet kept up the monotonous kicking which maintained the impetus she gained with every stroke of her arms, and even when she crossed the finish line she declined aid and swam to the shore there alone.

Mrs. Armstrong, also a veteran of the swim, took second money, finishing within three minutes of the leader, but never able to make up that short gap.

The real battle of the race was between Dorothy Nalvaine, Glen Cove, N. Y., and smiling Leah Riley of Kenosha, N. J. Both of them are favorites with Toronto crowds for they have been swimming here for years. For the last five miles of the race the two shot along side by side, first one and then the other taking a brief lead. Dorothy was successful in the end taking down the \$700 for third place, with Leah winning \$500 for fourth. There were just seven records between the two crossing the finish line.

My Loney, Detroit school teacher, won \$200 for finishing fifth, while Lucy Spence, Toronto, took the final money prize of \$100 for sixth position. Lake Ontario was kindly mood for the swim. Strangely enough, the water temperature was around 76 degrees at 2 p.m. when Ted Phelps, world's professional swimming champion, pulled the lanyard of a small brass cannon and started the race. Two three was a slight west wind a wind which churned up the water a trifle, but not enough to seriously interfere with the swimmers.

TELEPHONE BRITAIN TO INDIA

For the first time has regular telephone service to India. The part of the chain covered by wireless is 4,300 miles; the balance is covered by land lines. The Dutch have had telephone communication from The Netherlands to Java for several years.

BONE CONDUCTION OF SOUND

Electric vibrators, fastened to the forehead or other parts of the cranium, now enable totally deaf persons to receive oral instruction, music or other sounds from the teacher, with whose loud-speaker they are connected by wire.

SET NEW 'INVERTED FLIGHT MARK'

Miles Barcham, Long Beach, California, aviator, being examined by a physician after establishing a new world's record for upside-down flying. He flew for two hours and twenty minutes with his head turned earthward. An Italian flyer held the former record.

SEND-OFF TO CRICKETERS

Mr. Julian Cahn entertained his cricket team at Claridge's prior to their departure for Canada and is here shown (centre) between Rt. Hon. J. H. Thomas and the Mayor of Nottingham (wearing chain of office). Decorated cricket stumps may be seen between Mr. Thomas and Mr. Julian.

FISHERMAN BRINGS UP PART
OF FIRST ATLANTIC CABLE

While hauling his trawls off Cape Ray recently a fisherman dragged up from the ocean floor a fragment of the first submarine telegraph cable used in American waters. It was a piece of the line laid in 1850 by Professor Samuel Morse and Cyrus W. Field between Aspy Bay, Cape Breton, and Cape Ray. The cable was manufactured in England, the first stranded conductor ever made. Despite its long immersion, the tangle retained its odor of gutta serena. Until 1920 the eastern extremity of telegraphic communication was Cape Race, Nfld. that point westbound ocean liners dropped overboard canisters containing European newspapers and despatches and telegrams from passengers. A boat was always stationed there to pick up canisters. Newspaper men continued the dispatches and put them on the wire, bringing news of world events to New York ahead of the steamship.

A clever scientist claims to have devised a means of producing rain at will. We still prefer the old English method of holding a picnic.

HON. CHAS. ARSENE HENRY

French minister to Canada, who expects that an appropriation of approximately \$100,000 for the erection of a permanent residence for the French minister in Ottawa will be included in the next budget of his government, which already owns a splendid site in the Canadian capital.

HEH! HEH! I'M JUST CARRYING THIS FIL MY WIRETAP IS REPAIRED.

THE CARLTON-HOUSE TERRACE MYSTERY

Carlton-House Terrace, London, "the Street of Millionaires," has been the scene of incongruous occurrences when private investigators entered the house of the Duke of Marlborough and took complete possession of the establishment, cutting off all essential services. The Duchess, after a vain effort to camp in her own house with a small oil stove and candles, gave up the task and went to a hotel. The picture shows the main entrance to the dual residence.

AN ANGLO-AMERICAN ROMANCE

Here are the principals in the latest international romance—Lord Burgh of Northcourt, Isle of Wight, and Miss Elizabeth Rose B. Vincent—whose engagement was recently announced. The bride-to-be is the daughter of Senator Arthur Vincent of San Mateo, Calif.

"The day is ours, Herr Hitler; the Boy Scouts are in full retreat." "Good—it remains only to break the proud spirit of the Girl Guides and Germany is ours."

—Will Dymov, in the Daily Herald, London.

OOH! EXCUSE ME, MISTER. I DIDN'T THINK YOU WERE GONNA MAKE THAT TURN!

Progress Reported At Presbytery Meeting

A well attended meeting of the Peace River Presbytery of the Free Presbyterian Church was held in Fort St. John, B.C., on September 5 and 6. The meeting was held in the afternoon, Tuesday, September 5. There were present: Rev. E. A. Wright, Moderator; Rev. J. M. Fraser, Secretary; Messrs. Simpson, student ministers; Messrs. MacQuarrie and Robert H. MacQuarrie, Messrs. M. Grigor, and Elders John Watson, J. Duncan and William Grant. Mrs. J. Lettingham of Vancouver attended as a visitor.

Rev. E. A. Wright, moderator, presided. Progress, slow in some cases, but none the less definite, was reported by the various representatives of the bodies included in Peace River Presbytery.

Miss M. Grigor, deaconess, reported that a service and Sunday school was being held at each of the following points: Wanham, Heart Valley and Westville; that a mission band was being organized at Wanham and that she had taken steps toward organizing a service and Sunday school at Westville.

Rev. E. A. Wright reported that he was conducting services at Grand Rapids, Bear Lake, Flying Shot and Lyndhurst, and occasional services at Wanham.

Rev. J. M. Fraser reported progress at Bonaville, Blue Hawk and Lake. Russell Gordon, student missionary, made a similar report from Dixonville, Golden Ridge, Hazelton, and Chinook Valley.

Samuel Strickland, student missionary, reported that services and Sunday schools were being conducted each Sunday at River Side and High Ridge.

Rev. J. F. Minor Simpson reported that a church service and Sunday school were being held weekly at Fort St. John, B.C., and a service fortnightly at Baldonnel, B.C.

It was voted to hold the next meeting of the Peace River Presbytery in February, the exact date to be determined later. The death is an extremely and one, as there are three small children left: Alfred, 5 years; Shirley, 3, and Thelma, 14 months.

Mrs. W. O. Hallack of the Wanham district passed away at Grande Prairie on Friday, September 1. The body was shipped to Didsbury on Tuesday for burial.

Mrs. Hallack was born at Lethbridge, Alberta, and moved with her people to Didsbury in 1920. With her husband she was in the Wanham district in 1928, where Mr. Hallack has since engaged in farming.

Deceased, who was in her thirty-fourth year, was widely and favorably known in the Wanham district, in order that Rev. H. R. Horne, superintendent of missions for this province, may be able to attend.

At the 19th Hole

The ladies' handicap tournament of the Richmond Hill Golf and Country Club, which was held at the club, played last Sunday, was postponed on account of bad weather and will be played on Thursday next. Some of the games will be played on this day, will be given up to Sunday to finish.

Mrs. R. D. Johnson of Wembley turned in the lowest card for the ladies in this season, a 35. While making this low card she had the misfortune to break her favorite club, which may be quite a serious handicap for her in the tournament.

Rubbers and "golubbers" were at a premium in Peace River on Monday, the stores being closed. Some of the visiting players were fortunate enough to secure rubbers, but C. C. Fleming preferred "golubbers."

The Peace River golf tournament will go down in history, as far as the Ford V-8 is concerned. Fred Roberts gave the car as severe a test as could be given any car. On the way to Peace River the hill at Dunsen was made on high, probably the first time "ever done." On the return journey the roads were in very good condition, but Fred, with no chains on the car, made the grade without any difficulty, although four other cars were passed stranded on the hill. When it comes to piloting a car, Fred's four passengers take their hats off to him.

The course at Peace River is a sports one, although much shorter than Richmond Hill. The greens are much smaller and have quite a slope on two of them, making it quite tricky at times. The fairways were somewhat rough and much time was lost hunting for balls.

Fred Roberts, in his game made a good start. Fred, who said that this was the best game of golf he had ever played.

The game in the semi-finals of the Peace River tournament, between McMillan and Duncan was a real battle. "Mac" was one up at the seventh and both were close to the green on their first shots at the eighth. "Mac" played his second and rolled to the edge of the sand, and Duncan played his ball and a little squaring the match.

TRIGONOMETRY. Mac was behind a cloud of popovers in line with the green. He made a perfect approach and landed about ten yards from the green. Duncan, playing his second, fell short, but laid his third dead, and sank his ball for a four. "Mac" missed a free-foot putt for a halve.

Quite a number of the Peace River golfers intend making a trip over here in the near future for an inter-club match. One thing they can be assured of is that if they keep on the fairways at Richmond Hill, they will have no trouble on the course.

On Friday last a match was arranged between Jack Leitch and "Sandy" Stevenson. Leitch, McMillan and Duncan, "Sandy" was a win for the same and the result was a draw for the last named pair.

Owing to the delay caused by weather conditions it was agreed to play only twelve holes in the final of the Peace River Club's golf tournament.

HOGS BRING TOP PRICE

As an indication of what can be done with proper breeding and feeding, Wm. Perkins, of the DeWolf district, recently sold eight hogs to Bathurst which graded four hams and four sidelets.

The breeding stock was secured through the provincial Agricultural Department.

PERSONAL PARAGRAPHS

Mrs. Crawford is collecting at the post office while Miss Patterson is on her vacation.

Countess O'Haraoff and family and Miss Lulu Paley returned week week from a motor trip to Edmonton and district, where they visited friends for over three weeks.

F. B. Burns and J. R. Rose, representing the Mercantile Fire Insurance Co., Vancouver, are business visitors to town and district.
